EXPLORE LAVISH 18TH-CENTURY RESIDENCES

Peer into the life of royalty at an estate built for the prince-archbishops of Cologne. You will meet your guide at the dock and drive to Schlosspark, at the edge of the Naturpark Kottenforst-Ville nature reserve. Here, Augustusburg Castle sits at the center of beautifully landscaped grounds, a vast and splendid example of Germany's early rococo architecture. During a tour, admire the grand staircase and some of its many extravagantly decorated rooms and chambers. Take a stroll through the park's spacious gardens lined with hedgerows and trees before returning to your ship.

* Moderate - Walking portions may be long and somewhat challenging with occasional step-ups, stairs and inclines. Total time walking or standing normally ranges from 1.5 to 3 hours.
