A HISTORIC CITY CROWNED BY NORTHERN EUROPE'S LARGEST CATHEDRAL

Learn about Cologne's heritage and view its iconic cathedral, towering over the city in all its Gothic splendor. Step into a rich past, following the city's preserved historic street patterns and hearing about its Roman and medieval history along the way. As you stroll, your guide will regale you with tales of local folklore figures, Tünnes and Schääl, and the city's flourishing Jewish community. In Old Cologne, pass the elegant silhouette of St. Martin's church and stop to view Cologne's magnificent Gothic cathedral, a UNESCO World Heritage Site. Construction of this towering structure began in 1248 and continued in stages over the next seven centuries. The largest Gothic cathedral in Northern Europe, this magnificent church boasts two soaring spires and beautiful stained-glass windows, and survived the Allied bombings that ravaged the city and the rest of Germany during World War II.

* Moderate - Walking portions may be long and somewhat challenging with occasional step-ups, stairs and inclines. Total time walking or standing normally ranges from 1.5 to 3 hours.
